**eBay - Ethics and Legal Compliance Intern**

**Job Description: Ethics & Compliance Intern**  
**Hybrid – San Jose or San Francisco, CA**

Looking for a company that inspires passion, courage and creativity, where you can be on the team shaping the future of global commerce? Want to shape how millions of people buy, sell, connect, and share around the world? If you're interested in joining a purpose driven community that is dedicated to crafting an ambitious and inclusive work environment, join eBay – a company you can be proud to be with.

eBay is a global commerce leader that allows you to shape how the world buys, sells, and gives. You'll be part of a work culture that's been genuinely committed to diversity and inclusion since its founding more than 25 years ago. Here, you can just be yourself, do your best work, and have a meaningful impact on people across the globe. We are looking for people with drive, ideas, and a passion for helping small businesses succeed to help shape the future of eBay—does this sound like you? If so, we'd love to talk to you.

eBay is seeking an Ethics & Compliance Intern to join our team. In this role, you will assist with a variety of tasks related to eBay's ethics & compliance program, including:

- Conduct research and provide analysis on current issues, regulatory requirements, and industry best practices
- Assist with the development, implementation, and maintenance of E&C policies and procedures
- Support data analytics and reporting for the E&C function
- Collaborate with cross-functional teams to support compliance initiatives and projects
- Participate in the planning and execution of compliance training programs

**Qualifications**

- Currently pursuing an undergraduate or graduate degree in business, law, or a related field
- Strong interest in ethics & compliance, with a desire to learn and develop a deep understanding of the field
- Excellent research and analytical skills, with strong attention to detail
- Effective communication skills, with the ability to collaborate with cross-functional teams and interact with a variety of stakeholders
- Self-starter with the ability to work both independently and as part of a team
- Proficient in Microsoft Office and GSuite
- Passion for eBay and a user of its products

This is a paid internship opportunity with a flexible schedule. If you are a motivated and dedicated individual with a passion for ethics and compliance, we encourage you to apply.
