B. APPLICANT EVALUATION

To the Evaluator: The Summer Engineering Seminar (SES) program brings students to Santa Clara University’s campus to participate in introductory engineering workshops facilitated by our faculty. The goal is to provide students with a chance to explore the possibilities of engineering as a career with the hope of fostering a deeper interest in the pursuit of future engineering study. This program is very introductory in nature and will benefit students who have had little to no exposure to engineering related topics in high school. Additional program information can be found on our website: www.scu.edu/engineering/about/ses.cfm. Please provide information regarding the applicant in Section B.

Course(s) of Instruction: _____
Please indicate in which of your courses the applicant is/was enrolled. Include the course term if possible.

Please indicate how long and how well you know the applicant:

Please rate the applicant based on your observations and interactions in and out of the classroom:

	Top 5%	Top 10%	Top 25%	Top 50%	Bottom 50%	Unable to Evaluate
Academic Performance	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Academic Strength in Math & Science	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
