Courses

Finding your Calling: The Next Steps Along the Path--taught by Diane Dreher
Diane will highlight material presented in her course Spring 2005 "Vocation: The Renaissance Within," as well as add new material and many new personal exercises from her latest research on her book.

"Chinese Medicine"--taught by Erna Wenus
Erna is a chiropractor here in the area and was inspired by Dr. Dreher to give a one day workshop on Chinese medicine. Laura will emphasize the emotional aspects of Traditional Chinese medicine for everyday life and occasionally touch on diseases.
