
International Student Exit Survey

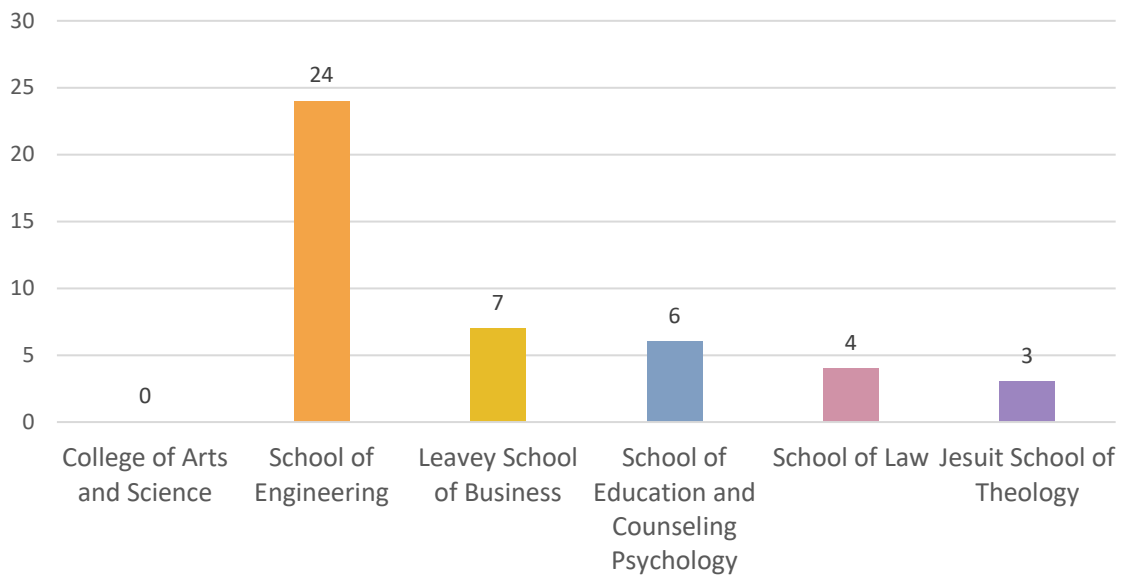

Graduate Student Report

June 2022

ABOUT THE SURVEY

The annual International Student Exit Survey was sent to 94 graduate students in F-1 status graduating from Santa Clara University. 44 students responded to the survey with an overall response rate of 47%. Student respondents came from ten different countries with India (41%) and China (32%) having the most representation. The survey was distributed through Qualtrics to students' SCU emails on April 29, 2022 and the survey closed on May 20, 2022.

Graduate Student Responses by School/College

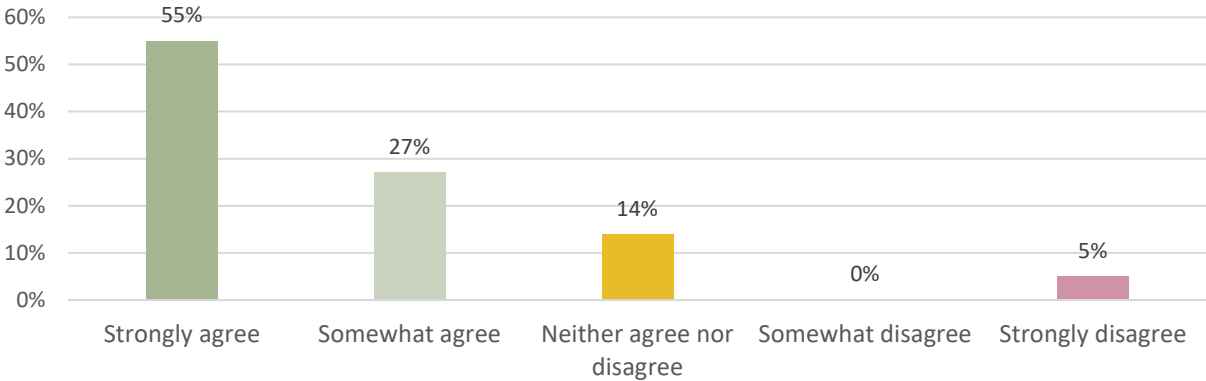

CAMPUS EXPERIENCE

82% of respondents met friends outside of their home culture

44% of respondents were involved in on-campus student clubs and activities

Please indicate your level of agreement with the following:
I felt welcome on SCU's campus

Note: Totals may exceed 100% due to rounding.

The most rewarding aspect of my time at Santa Clara University was...

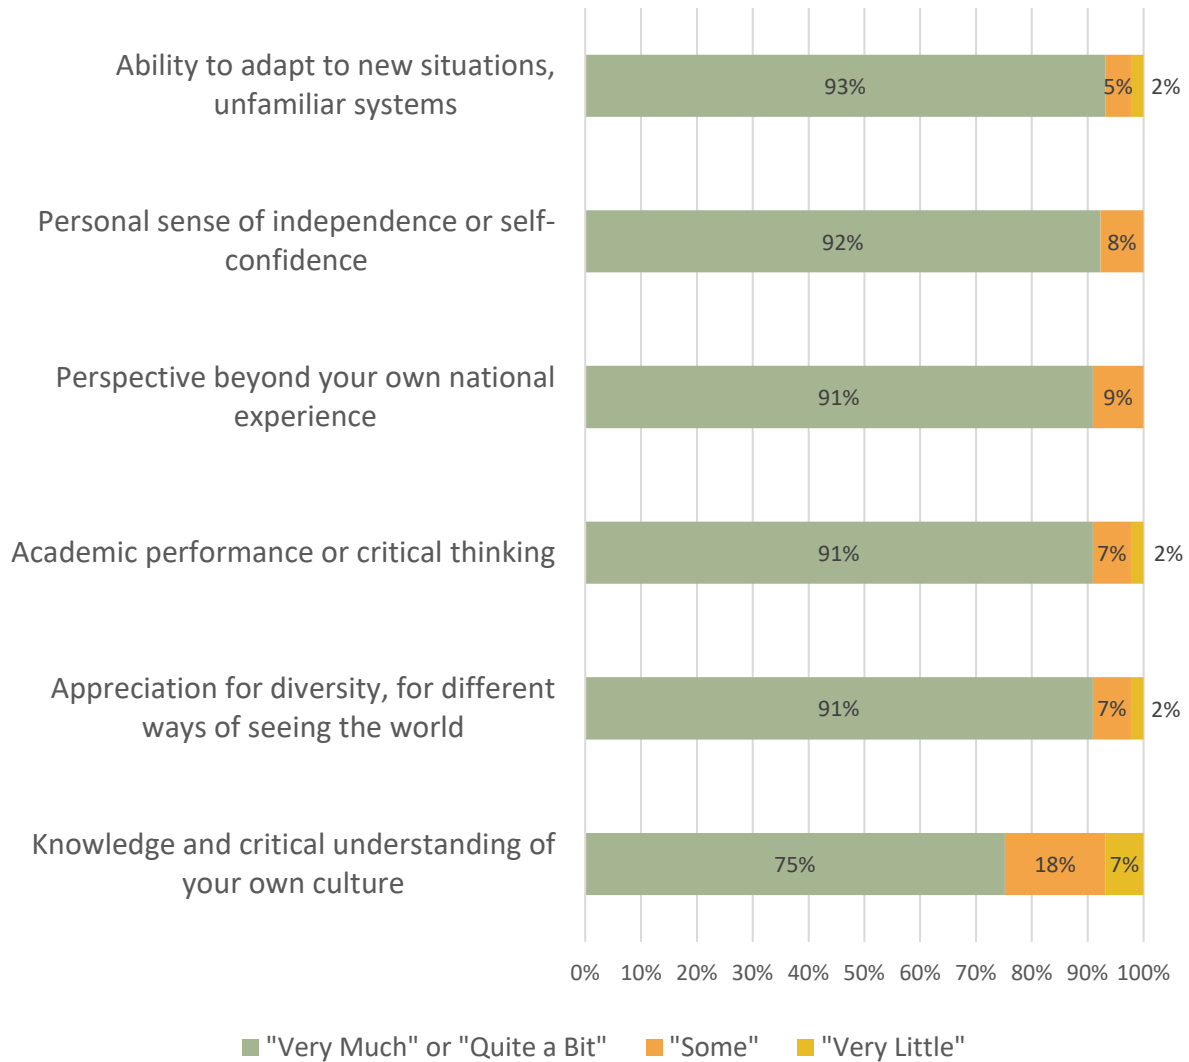

“Connecting with people from diverse backgrounds and developing forever friendships”

“I have learnt to be more independent.”

The most challenging aspect of my time at Santa Clara University was...

“At times I would appreciate straightforward answers; I felt that my peers reserved some aspects of their views out of a need for tolerance and fear to hurt.”

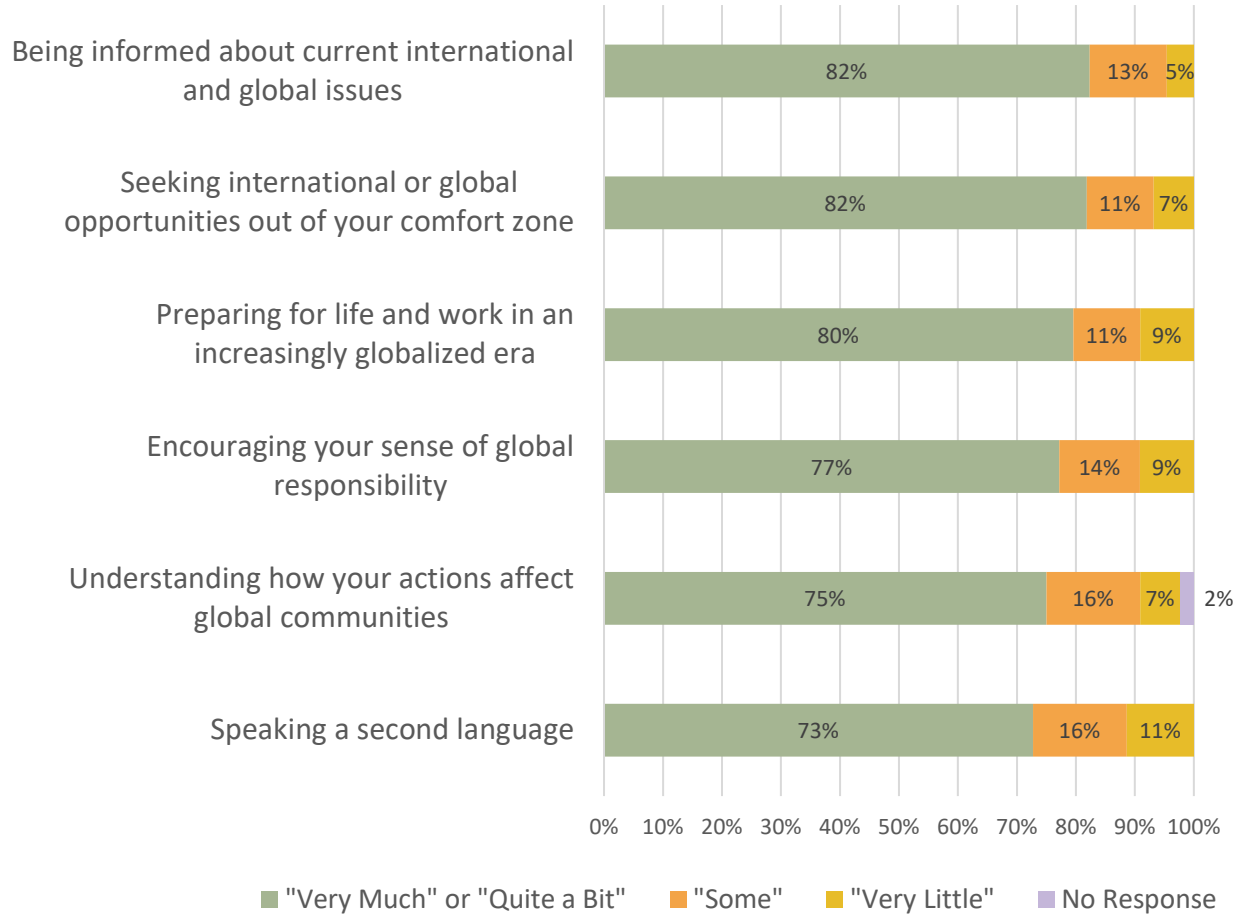

To what extent did your experience at SCU increase your:

Note: Totals may exceed 100% due to rounding.

“I learned a greater sense of achievement and an appreciation of the self from a global perspective. I also learned that inasmuch as I have a greater appreciation of my culture, there is more to draw from the experience of others. I, therefore, learned to embrace more dialogue. I learned a greater sense of achievement and an appreciation of the self from a global perspective. I also learned that inasmuch as I have a greater appreciation of my culture, there is more to draw from the experience of others. I, therefore, learned to embrace more dialogue.”
